RE: *United States v. James Evans*, 14 CR 231 (RA)

Dear Judge Abrams:

The parties respectfully request an adjournment of the next conference in this case, currently scheduled for June 18, 2020, for sixty days. The defendant is currently charged with a violation of supervised release that generally overlaps with charges pending against him in New York state court. The state case has not been resolved, so the parties request an additional adjournment.

Respectfully submitted,
